

How Much Risk Is Right For You?

Managing Risk on Idaho Grain Farms

A Risk Management Workshop for Idaho Producers

The USDA's Risk Management Agency and the Idaho Barley Commission invite you to learn new risk management strategies and discover the right level of risk for you and your operation.

Participate in a **RightRisk** workshop, co-sponsored by the USDA Risk Management Agency and the Idaho Barley Commission, being held at the Caribou County Grain Producers winter meeting in Soda Springs, ID. The presentations and activities will help you and your family or business partners gain a better understanding of the risks faced by your operation and your personal risk preferences. You will learn ways to manage those risks using insurance and other controls.

Monday, January 10th 2012 9:30 a.m. - 2:30 p.m. Monsanto facility, Soda Springs, Idaho	
Presented by: Dr. Jay Parsons, Colorado State University & RightRisk, LLC member	
<input type="checkbox"/>	Making Risk Management Decisions on Mountain View Farms <i>An Ag Survivor Simulation hands on exercise</i>
<input type="checkbox"/>	Ranking Risk Management Options on Mountain View Farms <i>An interactive presentation on how to analyze output from the Mountain View Farms simulation</i>
<input type="checkbox"/>	The Process of Strategic Risk Management <i>An Introduction to the Risk Navigator SRM Process</i>
<input type="checkbox"/>	Understanding Your Preference for Different Risk Management Options <i>Risk Navigator SRM tools that help you assess your risk management preferences will be demonstrated. We will apply what we have learned to an interactive exercise researching barley insurance options on Idaho barley farms.</i>
