

# Drought risk management & tools to evaluate your strategy

The USDA's Risk Management Agency, Custom Ag Solutions and Utah State University invite you to join us for **Drought Risk Management and Tools to Evaluate Your Strategy** a risk management workshop that will help your farm thrive in today's challenging environment. Workshop presentations and activities are designed to help you and your family or business partners gain a better understanding of how to manage risk in your farm operation.

**Wednesday, April 10<sup>th</sup> 2013**  
**10:00 - 3:00 p.m.**  
**Aneth Chapter House**  
**Montezuma Creek - Aneth**

Translation services will be available
