

Estimating cost of production & Tools for risk assessment

The USDA's Risk Management Agency, Custom Ag Solutions and Utah State University invite you to join us for **Estimating cost of production and Tools for risk assessment** a risk management workshop that will help your farm *thrive* in today's challenging environment. Workshop presentations and activities are designed to help you and your family or business partners gain a better understanding of how to manage risk in your farm operation.

Thursday, March 20th 2014

10:00 a.m. - 3:00 p.m.

**Sevier County Administration Building
250 N. Main - Richfield**

How Much Risk Is Right For You?
