WORKSHOP DESCRIPTIONS:

Building CommYOUunity

As an FFA member, you've probably heard the words service and impact a time or two. But where does one even begin to make an impact? In this workshop, we will learn how to create change in our community by identifying a local need and developing an action plan.

Presented by: Ryan Williamson, National FFA Officer, Western Region VP

Invest in Your Health – Cultivating a Healthy Mind

The workshop showcases a high school agricultural student's understanding of the agricultural mental health crisis, helping to frame mental health distress to academic and future career success.

Presented by Jennifer Connor.

Starting a Small Business

Have you ever thought of turning your FFA project into a business? Attend this workshop to learn what paperwork is required to start a business, steps in creating a business plan and how to finance your business.

Presented by Cindy Garretson – Weibel

You CAN Farm (or Ranch)

Are you thinking about running your own farm or ranch operation some day? Getting off the ground can be hard – there is a lot to know about owning and operating a farm business. Fortunately, there's help available for new and beginning farmers and ranchers in Wyoming!

Participate and learn in a fun and competitive online farm simulation with the possibility to win prizes! You'll also learn about resources and opportunities designed specifically to support beginning producers and new farm startups in Wyoming. Find out about opportunities for internship and mentorship and how you can join the You CAN Farm Wyoming! online community to access tools, training, and support at YCFWyo.com. Unlock access to tools and services that are provided FREE for Wyoming beginning producers through a partnership between the University of Wyoming, Custom Ag Solutions, and the USDA.

*Presented by: Kole Swanser, PhD, Custom Ag Solutions & AgRAEIS | YCF Wyoming Coordinator
John Hewlett, Ranch/Farm Management Specialist, UW Ag & Applied Economics | GrowinG Program co-director*
